# Guardian Storage Disposition

Vice Commander John Dillon led the team of Ed Harmon, John Caliguire, Dave Masslon, Finance Officer Thad Weidmann, Sergeant-at-Arms Tom Bodner and Adjutant Terry Choate (Not shown) that vacated our rented storage unit which will save our Post nearly \$4K per year. Also supporting the effort were ALA Members President Mary Ann Marunich and Susan Dillon. Operation Troop Appreciation donated space for us to use for Post memorabilia etc. in return for us assisting them in renovating their new location. See our website for details on the sales and donations etc.
