Commander's Call

By the time you read this article, I am hoping each of you had a very Merry Christmas and experienced the best possible way of ushering in the New Year. We have great ambitions in the year ahead, which I'm sure will come with some twists and turns, but I feel confident we have the right people to take on any challenges.

Let me share a December update of events with you. First, I'll discuss the Children's Christmas Party. What a party! We received many positive comments from the folks attending the event. We are still continuing to receive calls and emails telling us they welcomed the additions to the treat bags and meal selection that added to the huge success of the event. I want to thank those who left very positive remarks in my suggestion box. The event began with a frigid ice storm; however, those who trudged through the freezing temperatures and icy roads were treated to a warm meal that was second to none. I want to thank our loyal and faithful volunteers who participated in this event. I want to extend a special thanks to Lisa as she created magic from the kitchen by herself. As the children entered the Post, they were greeted with a warm welcome and offered a choice of treat bags. The treat bags contained the same contents, but the exterior of the bags were different (snowmen, reindeer, etc.). Each bag was filled with a coloring book, crayons, candy cane, apple, banana, M&M candy cane, crackers and more.

The meal began with ambiance from Christmas music. Our very special guests, Santa and Mrs. Claus, arrived once the meal was underway. Santa listened to the children's wish lists and issued a gift to each child. After Santa left to return to his elves and toy shop to prepare for his Christmas journey, Mrs. Claus visited with children and their family members at each table. A beautiful winter wonderland cake was cut into slices and delivered to the guests. As the children departed, they were asked to grab handfuls of their favorite candy. I really want to thank all of the volunteers of Post 712 who worked the event. This year, gifts for the children were purchased by the ALA and the Legion. Besides our faithful

Legion volunteers, we had the addition of Lynn Caputo who assisted Santa and Mrs. Claus with the gift delivery as well as taking on many other duties prior to and following the event. Thank you so much, Lynn! I also want to extend a sincere thank you to Greg Nuss for providing the magic of Christmas for us at the Christmas Party and for his assistance with the meal preparation.

On December 19, Post 712 Legion representatives had the honor of visiting the Jefferson Elementary School (JES) to collect hundreds and hundreds of dollars' worth of critically needed supplies for delivery to our 247 Veterans at the Southwestern Veterans Center. This event, coined "Operation Helping Heroes", was sparked by Mimi Haley, our Community Organizer and social member of Post 712, who made this event possible. She coordinated the event with the West Jefferson School District, Jefferson Elementary School PTA Representative, Holly Wik, and the Principal, Mr. Very, his staff, and honorary soldiers – the children – of Jefferson Elementary School. Our special soldiers, over 650 children, were the ones who did all the leg work. They took a handout home to their families and together with their families carried supplies to school that would make this delivery special for our Veterans at any time, let alone at Christmas time – a time for giving. American Legion Post 712 salutes everyone who was involved in this special tribute to our Veterans.

Once we gathered the supplies, we then departed to the Southwestern Veterans Center where we were greeted by their Commandant, Richard Adams, and their Therapeutic Activities Director, Chris Veitch. We pushed cart after cart of supplies into the Southwestern Veterans Center. We take for granted all of the luxuries we have and use on a daily basis, but we need to remember these (and other) veterans do not have the same experiences each day. What is incidental and trivial to us is actually viewed as a gold mine to them. While it is very worthwhile and commendable to give to various charities, we must never forget that charity begins at home. We are the lifeline to our veterans.

We ended the year with positive, memorable events and we are in the planning stages of a few events for 2017 that have not been considered or executed in the past. Vietnam Era Veterans, please be sure we have your current phone number and email addresses. We are planning a very large tribute to our own Vietnam Era Veterans in June. You won't want to miss this event.

In closing, I want to thank our District Commander, Brent Johnson, for attending our December Legion Meeting. He told Legion members in attendance that evening that we were one of the most aggressive and most accomplished Legions in the Commonwealth of Pennsylvania. This was such a comfort to hear. All that we have done this past year has not gone unnoticed.

Our Legion is being considered for an American Legion Excellence Award. This award is one of the Legion's highest awards. There are numerous requirements that must be achieved to be a candidate for this award. Some of those requirements include: exceeding membership goals, involvement in youth activities, scholarships, community activities, and much more. I am proud to report that we currently meet, or exceed in some instances, these requirements. We are a qualified candidate for this prestigious award.

We have a great deal to look forward to in 2017. I want to end my article by saying we must recognize we can't be where we are, accomplish what we've done, or move the Legion forward in 2017 without the "engines of the Legion" – our volunteers. I thank you for your past, present, and future service as Post 712 volunteers. Please accept my sincere gratitude and thanks for all that you have done and will continue to do for the Post in the future.

As always we support our troops.

Auxiliary Corner,

Hope everyone had a Merry Christmas and a Happy New Year. Now is the time to prepare for the coming months. Thanks to the Legion Riders for inviting us to a great party. A special thanks to Thomas Jefferson Middle School for the drive they had for the veterans at Southwestern Hospital. They had so many items that they shared them with the homeless veterans. The toys left over from the children's party were given to a family in McKeesport that suffered from a devastating fire. Another special thanks to all the ALA members and post members who attended our Christmas party with the vets. Keep up the good work.

American Legion Riders,

Merry Christmas American Legion Family! As we close the book on 2016 we see the Riders had a very good year with allot of great works of charity through donations of our time and funds and allot of camaraderie with our brothers and sisters in the American Legion Family. Best of all, we rolled up allot of 2-wheel fun mileage on the back of our bikes!

The Riders recently took up a clothing drive to benefit the Veterans and Seniors of the Pennwood Nursing Home. We placed an emphasis on cold-weather clothing to help the citizens stay warm during the frigid Pittsburgh winter. **Rider Melissa Stefanic** walked point on this mission and on December 16th she, **Dave Saunier** and **Road Captain Bob Stefanic** delivered the clothing to the Director of the facility. This was a great event as we helped these Seniors and brightened their day to make sure they knew they are not forgotten. Great Initiative Melissa and well done Dave and Bob!

On Saturday, December 17th the annual laying of wreaths for the Christmas season was conducted at the National Cemetery of the Alleghenies and concurrently all across America. This annual event, sponsored by the Wreath's Across America Project, provides wreath's to be laid on the graves of Veterans for honor and remembrance. This type of event takes a tremendous amount of people-power; which the Riders were honored to provide. **Thank you Senior Sergeant-at-Arms Tom Bodner, Sergeant-at-Arms Ed Harmon, Jeff Jackson, Larry Jageman, Ed Schmidt, Chaplain Mark Smith and Deputy Treasurer Bill Weikel** for volunteering your time on an icy morning for this noble event and leading the way in remembering and honoring our Veterans.

ACTIVE DUTY MEMBERS AND THEIR FAMILIES From the Post 712 Adjutant

As a courtesy to our active duty members who belong to Post 712, we will pay your dues as long as you remain on active duty.

All we ask in return is for you to notify the Post adjutant in July or August each year that you remain on active duty to assure we pay your dues on time.

We have received several calls saying a family member has been on active duty and his or her dues have not been paid. If the adjutant has not received notification as described above, the dues will not be paid. There is no other way for us to find out a member remains on active duty unless the member or his or her family notifies us. The best way to assure she receives your notification is to call the adjutant (412-616-1834).

We thank you for your service, want you to be safe, and would appreciate if you would let us know if you ever need any assistance. We are here for all of our active duty members and for our veterans. We thank you for your allegiance to the American Legion.

Tribute to Mrs. Claus

Post 712 Salutes You for Your Years of Service-

Mrs. Claus has received orders from Santa Land that she will be reassigned next year. Let's hope she can get her orders changed before December 2017.

Mrs. Claus is going to take some time off. With all the new toys she has to help the elves learn how to make them. I'm sure going to miss her. Mrs. Claus was a big help to me. Some children were afraid and she would whisper to them and they would come to sit on my lap. I really enjoyed working with Mrs. Claus at the American Legion Christmas Party. Together we made a lot of children happy. I will miss her while she works with our elves, but I'll be back in the North Pole as soon as my work here is done.

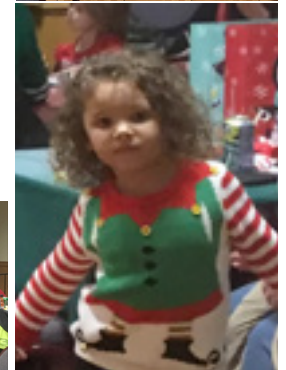

Love you Mrs. Claus and
I will see you soon!

Post 712 Legion Members and Jefferson Elementary School (JES) in Jefferson Hills, PA Team-up for Veterans Day "Operation Helping Heroes".

Commander Richard J. Wojnar and Legion officers from the Pleasant Hills American Legion Post 712 visited the Jefferson Hills Elementary School on December 19, 2016 to accept donations the students and staff collected for the Veterans and their spouses at the Southwestern Veterans Center as a Veterans Day tribute – "Operation Helping Heroes".

A special thank you must be sent out to Mimi Haley, Holly Wik, PTA Representative, Principal, Mr. Very, the students and their families of JES, PTA, and staff for their dedication to Veterans and for being a part of a very special community service project on Veterans Day. Following the visit to JES, the donations were delivered to the Southwestern Veterans Center.
